

NOTICE TO LANDOWNERS

PLEASE BE ADVISED PER STATE STATUTE:

39-301. Roads; injuring or obstructing; penalties; exceptions.

Any person who injures or obstructs a public road by felling a tree or trees in, upon, or across the same, by placing or leaving any other obstruction thereon, by encroaching upon the same with any fence, by plowing or digging any ditch or other opening thereon, by diverting water onto or across such road so as to saturate, wash, or impair the maintenance, construction, or passability of such public road, or by allowing water to accumulate on the roadway or traveled surface of the road or who leaves the cutting of any hedge thereupon for more than five days shall, upon conviction thereof, be guilty of a Class V misdemeanor.

Planting crops in the County Road Right-Of-Way is unlawful under the above Statute. The Road Right-Of-Way is 66 feet in width, or 33 feet on each side of the centerline of the road. This area needs to be clear of all obstructions for maintenance purposes and the safety of the traveling public. Please keep all fences (permanent on temporary), vehicles, crops, trees and any other obstructions clear from the County Road Right-Of-Way.

**Pawnee County Highway Superintendent
Chris Rauner**
